As a MERN Stack Developer, I bring a wealth of experience and expertise in building dynamic and scalable web applications. With proficiency in MongoDB, Express.js, React.js, and Node.js, I excel in crafting efficient and robust solutions tailored to meet business objectives. My ability to collaborate effectively within multidisciplinary teams ensures smooth project execution from conception to delivery. Additionally, my dedication to staying updated with the latest technologies empowers me to innovate and optimize code for superior performance. I am passionate about creating seamless user experiences and am eager to contribute my skills to your team.

EXPERIENCE

React app developer

Jan 2024 - Feb 2024
